CliniMed & SecuriCare Environment Policy Statement

CliniMed is engaged in the business of storage and distribution of healthcare products to Hospitals and Wholesalers. SecuriCare is engaged in the business of dispensing medical devices against prescriptions direct to patients via a home delivery service. CliniMed Ltd and SecuriCare (Medical) Ltd aim to be an environmentally conscious company, by acknowledging the impact that our operations may potentially have on the environment.

As well as being environmentally conscious we recognise our responsibility to protect the environment, including the prevention of pollution. CliniMed Ltd and SecuriCare (Medical) Ltd are committed to identifying and reacting to pollution prevention opportunities. The clear objective of CliniMed Ltd and SecuriCare (Medical) Ltd mission statement is to aspire to preserve natural resources and to minimise the environmental impact of our activities. We will do this by:

Commitment to developing an effective Environment Management System (EMS) in compliance with ISO 14001:2015.

Complying with as a minimum, all obligations laid down in legislation and appropriate Codes of Practice and to attain, where feasible, standards in excess of those required by statute.

Communicating its aims and objectives to all stakeholders, by raising awareness, encouraging participation and training of employees in environmental matters and the effects of their activities.

Encouraging similar environmental standards from suppliers and contractors.

Continually improving, performing regular environmental reviews, setting and agreeing targets and objectives on an annual basis.

Regular monitoring of all aspects of CliniMed Ltd and SecuriCare (Medical) Ltd.'s impact on the environment.

Minimising the production of waste and maximising the recycling of waste.

Committing to the reduction in the use of resources through continual improvement. Ensuring that new processes and practices are assessed for their environmental impact. Encouraging use of transport in a way which minimises negative environmental effects. Ensuring effective and expedient incident control, investigation and reporting.

This policy will be available to all employees and interested parties.
